

**As Readers** we will practise our reading comprehension skills and learn new knowledge through exploring these books, poems and rhymes:  
 Superworm  
 Oliver's Vegetables  
 The Very Hungry Caterpillar  
 The Scarecrows wedding  
 Non-fiction texts about creatures, gardens and other places outside

**As Geographers we will:**  
 -Explore our environment using our five senses  
 -Notice how things change- grow cress, look at plants and flowers, explore the weather

**As Digital Leaders we will:**  
 Record changes on our iPads by taking photographs

**As Authors**  
 We will develop our pre-writing skills through:  
 Squiggle while you wiggle/Dough disco  
 Funky finger activities

**As Designers we will:**  
 Create a scarecrow for our garden

**As Artists we will:**  
 Create pictures inspired by the artist Wassily Kadinsky  
 Complete nature art  
 Draw our observations

**Children's ideas:**  
 -Baseline assessment about what we already know and what we would like to learn  
 - Show pictures of gardens, outside areas, minibeast and flowers. Ask what do they already know about these and what would they like to learn?

**As Scientists we will:**  
 Learn about how things change  
 Make observations about the weather

What can I see outside?

**Authentic Outcome:** Invite our parents and carers to a garden party and share our learning with them  
**Critical Audience:** School Community, parents and carers  
**Concepts:** Care, change, creativity, environment  
**Vocabulary:** observe & specific garden and nature vocabulary

**As Musicians we will:**  
 Learn new songs and rhymes related to the outdoors  
**As sports people we will:**  
 Learn about how our bodies change with exercise and what food to eat to stay healthy  
**As citizens we will:**  
 Learn about being kind to each other and keeping safe

Opportunities/situations where children will develop BELIEVE:

Be kind	Earn respect	Living responsibly	Include others	Embrace challenge	Value difference	Experience life
Invite our friends to our party	Share our environment and learning with our grown-ups at the garden party	Thinking about how we can look after our garden and the creatures in it	Invite our family and friends to our garden party	Communicating to friends and family about our event	RE – autumn festivals	Garden Party- This is a huge project! We are aiming high!
